

Dear Sir / Madam,

I am writing to let you know about the following upcoming works along the A47 which will be taking place between Dereham and Norwich from Monday 6th August for approximately 5 weeks between 8pm and 6am on weekdays only.

- Renewal of road lining, markings and studs
- Renewal of high friction surfacing

We will endeavour to complete these works during the above dates, however, factors such as weather may cause delays. If there is to be a significant delay, further notifications and information will be sent out.

Due to the nature of the works being carried out, noise and light disturbance is unavoidable. We will however attempt to keep this to a minimum.

Your safety is important to us, as is the safety of our operatives working on site. We would be grateful if you observe the signs and restrictions in place as any unauthorised access creates a serious safety risk to everyone.

We would like to apologise in advance for any inconvenience these works may cause you and thank you for your patience.
