Message from Your Inspector

Inspector
Jon Papworth

It has been another busy month for my officers covering the Breckland North area, with excellent results being collated by proactive policing across all the Policing Teams. Over in Swaffham the Beat Manager, PC Jo Higgins has been working alongside our partner agencies in Housing and Norfolk County Council to combat recent reports of anti-social behaviour and criminal damage in the area. Under our ongoing Operation Trundle I am pleased to be able to update you that in total 8 youths have been arrested, with 6 of these youths in the process of being summoned to Court. 1 youth is being referred to our Youth Offending Team under the Challenge for Change Scheme and 1 has had no further action taken against them. Anti-Social Behaviour letters have been sent to several youths warning of the consequences of such activities including possible tenancy action. In Dereham Beat Managers, PC Roger Benton, PC Jon Downs and PC Steve Howard, along with the Neighbourhood Policing Team have also had some very positive results targeting drug misuse in the area. You may have seen in the media the results of a warrant executed under the Misuse of Drugs Act where some £2000 of suspected Class A Drugs were seized along with £1000 in cash and other drug paraphernalia. Over in Watton Beat Manager PC Ed Arbuthnot has hosted the recent SNAP meeting where new priorities of combatting Anti-Social Behaviour were voted in. PC Arbuthnot continues to proactively tackle such activities and can often be found in the local areas on footbeat.

If you are aware or have any concerns of ASB or crime in your area please report these to Police by calling 101 or via our website www.norfolk.police.uk.

What is Happening In Your Area

Local officers from the Safer Neighbourhood Team, Neighbourhood Policing Team, Response and officers from our Special Constabulary have had a busy and productive month in the Dereham and surrounding parishes. You asked for us to target drug misuse as a local Safer Neighbourhood Action Panel (SNAP) priority and we have had some very positive results on action we have taken against this issue. As Inspector Papworth refers to above, some £2000 of suspected Class A drugs were seized in a warrant carried out in the Dereham area, while your Beat Managers seized cannabis during a joint Housing Association visit to a property in the area. Alongside this proactive work, we have also carried out Speed Enforcement in Beetley and issued a Section 59 Police Reform Act warning to a driver of a vehicle in the town. Finally, our Special Constabulary have also supported us with Spl/Sgt Woods and SC Pilbrow carrying out some 18 miles of cycle patrols in the area!
